

Co-funded by the  
Erasmus+ Programme  
of the European Union

**Are you a teacher? Are you looking for new ways of teaching math?**

**TIM** - Theatre in Mathematics creates a **new teaching Methodology** that integrates **mathematics** and **drama** in the classroom.

**TIM** is an Erasmus + project founded by the Erasmus + Programme "Strategic Partnership for School Education," realized by partners from 4 European countries.

## LEARNING MATH THROUGH DRAMA

### “TIM - Theatre in Mathematics”

Provides a new methodology to teach mathematics using the theatre workshop and drama and improving life skills. Faces the main obstacles in teaching and learning mathematics. Fosters an inclusive, engaging pedagogy. Promotes students' and teachers' well-being.

#### Project's output:

- **Methodology Manual** for teachers to implement the TIM Methodology
- **Training** for 20 teacher trainers, 400 teachers and 400 students
- **E-learning platform** with digital learning resources
- **Theatrical Conference** about the fear of mathematics
- **Scientific Publications** on the role of drama in mathematics education

#### Become part of the TIM COMMUNITY:
